

Funeral Planning: 25 Essentials: The Ultimate Guide for Selecting Funeral Homes, Obituaries and Funeral Directors

The problem most people face when they lose a loved one is how to prepare for the funeral. This publication seeks to help you prepare adequately for a funeral. The book informs you on where to start along with various features that make a funeral successful. The features include: invitations; eulogy, liturgy, and words of comfort; music choices; remembering the deceased; refreshments; memorializing the event; expenses; choosing a coffin or casket; informing relatives and friends; funeral sermons and speeches; cremation; and choosing an appropriate funeral home. The information provided in this publication will give you the exact insight you might otherwise have problems obtaining. Each piece of information is verified based on what is happening at funerals on a day-to-day basis.
