

How & When: These Two Questions Will Change Your Life Forever!

Do you wish to improve the quality of your life? How about the lives of others? How & When: These Two Questions Will Change Your Life Forever!, will empower you to begin answering your own questions. There is a popular belief that questions and answers are directly related to problems and solutions. Guess what? I want you to challenge that belief, while challenging yourself to create a better life. Have you ever used a question to deceive yourself? I mean to trick your mind into believing that somehow, the simple act of asking a question will solve a problem. We all have. In this 7500 word ebook, I am going to help you answer life's important questions. I am no genius, but I would like to think that common sense still offers great value. I am offering this title as part of the Bloomsayer: Create a Better Life series. Each body of work offers an easy to read and comprehend portion of an amazing philosophy. You have the POWER to take your life to the next level. I am going to provide the answer to, How do you achieve results?. I will also help you decide, When to begin?. Are you ready to begin your greatest period of enlightenment?
