

**Key Features-** This unique book takes readers within themselves-at their own pace-to consciously connect with their spiritual side. Readers learn the value of quiet time, through prayer, leisure time, or mediation. The authors many years as a counselor helped him identify the factors required for inner peace, and how to achieve it.

Do you often feel there is more to life? You are right! There is an entire spiritual realm awaiting your discovery. This book will guide you on a journey to discover who and what you truly are. It will show you how-at your own pace-to consciously connect to the other part of you, your spiritual mind. And if you choose, you can explore your spirits reality and beyond. You will learn the importance of quiet time, whether it be achieved through prayer, meditation, or leisure time along a scenic path. The fact that the duality of your physical and spiritual life is an open secret. How you create your expectations, perceptions, and conceptions of tomorrow through your thoughts and visualizations. **Reviews-** Brent Lee has written a wonder-filled book, one that makes a strong contribution to the wide-spread spiritual reawakening that is currently sweeping the Western world. *Beyond Knowing* will expand your perceptions of reality, your self, and your soul. Hank Wesselman, PhD., author of *Spiritwalker, Medicinemaker, and Visionseeker*. Brent Lees experience of a multi-dimensional reality leads us to question our personal and global limitations and discover an unlimited, expanding reality of wholeness. This is a challenging, exciting book, filled with examples, exercises and an exploration of what is common to us all. Maida Rogerson, Co-author, *Chicken Soup for the Soul at Work* Brent Lees book presents profound concepts in clear and simple terms. He brings refreshing meaning to the term multi-dimensional and provides the reader with generous insights in a humble and down-to-earth manner. Reverend Cheri Starchman, Pastor and Energy Healer If you are looking to understand spiritual knowledge and experience the truth of perception and conceptions of your life *Beyond Knowing* is the way. Brent Lee has written a wonderful and powerful book of ways to connect with your spiritual mind. You will be guided to ways to handle difficult situations in daily life and spiritual matters. You will be guided in understanding quiet time and hear the voice of spirits, feel and learn the power of prayer and listening to the inner self, the secrets of the duality of the human kind will be open to you through personal study with meditation and visualization. The spirit of Brent Lees book will bring blessings and truth to your human experience. This book is a powerful way to live a daily life with a strong connection in respect of the spiritual and fascinating new ideals of the spirits and much more. Aho-Wolf Moondance-Author -*Rainbow Medicine* A fascinating new read that is written for people who want to understand their expanding inner universes. It moves beyond previous studies in comparative religions to a global view of our own real possibilities. Gail C. Lee, Ph.D., Psychotherapist This book breaks a rigid and routine frame of life, showing the reader a new realm and unexpected world where any person can be an explorer, a warrior of light, a creator of new realities. Serguey Yakusenkov, Ph. D., Anthropology Professor at Astrakhan State University, Russia Author of *Spiritual Culture of Aymara* *Beyond Knowing* is a fascinating and insightful work that is sure to stimulate thought, conversation, and deeper levels of insight. Thom Hartmann, Author of *The Last Hours of Ancient Sunlight*
