

Star Wars: Cloak of Deception

The Chancellor has little power...He is mired down by baseless accusations of corruption. A manufactured scandal surrounds him, Senator Palpatine told Queen Amidala in Episode I. Tracing the thrilling chain of events that leads up to the Republics current chaotic state, this exciting audio follows Chancellor Valorum as he struggles with his fall from power...and the dark forces who have benefited from his weak position. Hoping to stem the growing tide of unrest, Valorum convenes an emergency trade summit on the planet Eriadu. At his request, a group of Jedi Knights is sent to protect the delegates from possible terrorist attack. But what should have been a simple peacekeeping assignment turns out to be a mission into the heart of a political firestorm. For shadowy forces are at work, pulling the strings in a masterful bid for power that could leave the Republic reeling. And the chancellor is only the most visible victim.
