

Ice Blessed (The Blessings of Myrillia Book 3)

After being attacked by what he believed to be his own allies, Lucien Glacies is forced into an unfamiliar world where he must learn to discern friend from foe. Thrust into the midst of a war he never wanted, unable to piece together reality from the remnants of his past, Lucien chooses to follow the one person he trusts with his life: his childhood friend and former sweetheart, Kisara. Together, they must face the corrupt power that threatens all of Myrillia. But first, Lucien must conquer the prejudice of his youth ... because his new allies are the same savages he once believed were his mortal enemy.
