

The Holy Bible; containing the books of the Old and New Testaments, and the Apocrypha. Carefully printed from the first edition (compared with others) of the present translation.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century.++++The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification:++++British Library T095047A reissue in 5 vols. of the 3 vol. 1785 large paper edition, with an altered titlepage, with a different setting of the last leaf of the Editors preface and without contents leaves in any vol. The titlepage in each vol. is the same, with the vol. number missing. The Apocrypha includes 3 Maccabees. The notes are apparently taken from Wilsons Abstracts from the historical part of the Old Testament and other writings. The preliminaries include a list of the editions of the Bible from 1526. With a 7-page list of subscribers. Bath : printed by R. Cruttwell: and sold by J. Edwards, Pall-Mall [London], 1790. 5v. ; 4°
