

## DK Essential Managers: Achieving Excellence

Practical techniques show you how to form realistic ambitions, develop your skills, and achieve your objectives. Learn all you need to know to make the most of your potential at work, from setting goals to developing the determination, energy, and skills required to achieve them. Achieving Excellence not only shows you how to network effectively and make the most of your time, but also provides practical techniques for improving your memory, sharpening mental agility, thinking creatively, and reducing stress. Power tips help you to overcome every obstacle in the quest to fulfill your ambitions and achieve success in the workplace. The Essential Manager have sold more than 1.9 million copies worldwide! Experienced and novice managers alike can benefit from these compact guides that slip easily into a briefcase or a portfolio. The topics are relevant to every work environment, from large corporations to small businesses. Concise treatments of dozens of business techniques, skills, methods, and problems are presented with hundreds of photos, charts, and diagrams. It is the most exciting and accessible approach to business and self-improvement available.
