

On the Flyleaf: Poems (Harmony and Dunbar Series)

The ingenious conversational mode of *On the Flyleaf* yields many variations of style and mood, yet Herb Martin's wit and wonder shine through them all. The latest book of poems by this seasoned poet, Herbert Woodward Martin, is as generous as any poet I know, and this book is exacting, troubling, and exhilarating in its tracings of the human predicaments that force us to believe in the catastrophe of love. ~Jeff Gundy, author of *Spoken Among the Trees*
