

## The Eyes of the World

The secret of Harold Bell Wright's power is the same God-given secret that inspired Shakespeare and upheld Dickens. -Philadelphia Sunday Dispatch The amazing book sensation of fictions great author and the basis for the Henry King film classic starring John Holland, Una Merkel and Nance O'Neil, The Eyes of the World is the drama of love in the great modern West of the early 20th century. Seductive, unscrupulous, a married siren tries to cast a spell over a young artist only to find herself hopelessly outrivaled by a wholesome young beauty. She plots the girls undoing, and the struggle between good and evil, love and hate begins. Vivid and stunning, the dramatic power of Harold Bell Wright's masterpiece will sweep you to new heights of emotion.
