

There is something very special about a little white dog, Charmin you get to squeeze, or it squeezes you, while you're on Cloud 9, since it has somehow come down from heaven to you, etc.... My you realize they may be more than what they seem, cherish every moment they are with you, see how they could, indeed, dramatically inspire you to transform and liberate your whole lives, and appreciate how they are with you afterwards... P.S. Why wait or depend on book reviews, which could easily be false or fixed? Why let someone else tell you what to read or whats good--cant you do that yourself--arent you worth it? Empower yourself! You be the judge! Heres why: If you feel charmed, interested, inspired or graced, etc., by this, go with it, bring it on, because guess what--its your OWN gut feeling, aka God, grace calling you! Heaven doesnt have to wait!
