

For a truly solid working knowledge of the 2015 International Property Maintenance Code (IPMC), you need a resource that will explain the technical requirements, and then explore how those requirements can be applied to everyday, on-the-job situations. The 2015 INTERNATIONAL PROPERTY MAINTENANCE CODE COMMENTARY does just that. The book's approach is simple, yet highly effective: provide users with the full text and illustrations of the code itself, and close each section with commentaries on its practical implications. Coverage also includes a discussion of rationale for the various provisions, as well as the potential consequences for not adhering to them. Developed by the highly-regarded International Code Council, the book aims to offer an enhanced understanding of the 2015 IPMC, making it a must-have for code officials, engineers, architects, inspectors, plan examiners, contractors, and anyone seeking proficiency in the code.

The Complete Book of Woodworking and Cabinetmaking, School of Secrets. Verloren bis Mitternacht (German Edition), Photovoltaic Solar Energy Conference, Captive to Christ, Open to the World: On Doing Christian Ethics in Public, Case study collection of web analytics consultants vol-11 (Japanese Edition), Mercys Curse, Gehry Draws (MIT Press), HRD in the Age of Globalization: A Practical Guide To Workplace Learning In The Third Millennium (New Perspectives in Organizational Learning, Performance, and Change), English Drama: A Cultural History, The Gospel of Jesus Christus According to Patience Worth,
