

If Life Gave Me Lemons, I Would Turn It Into Honey: Based on a Life Story

During her life, she chose to focus on what most children are not able to have, which was her education. She had the ability to get through elementary but was unable to finish secondary for health reasons, which ended up being lupus (SLE). While she was recovering in rehab from her health challenge, she was able to meet her favorite celebrity from her favorite music group. After that special moment with her favorite celebrity, she spent four and a half years focusing on her physical health. After she knew that her health was better, she never stopped focusing on her goal, which was to finish her education. She never thought she would have to struggle going through finishing her education. She spent five and a half years working on getting her education back in order to get her high school diploma.
