Discover why you and your partner have the same disagreements time and time again. The answers are in core issues unresolved within you. There are at least 70 areas in an intimate relationship... 70 opportunities for creating separation or synergy with your partner. This book deals with each one of those areas. This book is not theoretical. It is the fruit of 20 years of personal and professional work. Through their commitment to doing their own personal healing, Danyelle and Ron increased their level of intimacy, their ability to deal with day-to-day issues and their experience of joy and of love. Danyelle and Ron guide couples through a transformational journey that leads them to greater intimacy. This book is designed as an easy-to-follow guide to increase the synergy that already exists in your relationship and heal those areas that are creating separation.
