

Stranded #1: Sarina At Sea (Stranded Serial)

While on a cruise with her fiance, twenty-four year-old Sarina gets more than she bargained for when their ship runs into an unexpected storm. She and another passenger a ruggedly handsome stranger fall overboard and wind up stranded on a deserted island, giving her all the time she needs to reassess her life and her engagement. STRANDED is a serial and each part is approximately 15,000 words (50 pages).
