

Tales of Occult Horror: Real-life Encounters with the Supernatural

Feel a profound sense of dread at the supernatural horrors that scratch at the surface of our world. This collection of thirteen true stories casts a dazzling light upon the dark realms of witchcraft and the occult. Read of frightening real-life encounters with apparitions, arcane magic, demons, poltergeists, and possessions. Tales of Occult Horror is the sequel to Peter Drake's bestselling Tales of Ghostly Horror. It is a far more gruesome and sinister depiction of the paranormal, where ghosts harrass the living, and witchcraft is often a force for pain and death. Several notorious locations are chronicled, with unrivalled levels of detail and length: *

- Discover the black magic mysteries of CLAPHAM WOOD
- * Marvel at the supernatural phenomenon at DUDLEY CASTLE, with a comprehensive look at its long history of ghosts and poltergeists
- * Shudder with fear at the dark forces that stalk the ancient corridors of LITTLEDEAN HALL
- * Occultists unleash horror in THE CORNISH DEMON
- * Evil spirits growl at researchers at COALHOUSE FORT
- * Investigation descends into chaos at PENDLE HILL
- * Shock and awe at WHITTINGTON CASTLE
- * The seance interrupted by a hooded apparition at DENNY ABBEY
- * PRECOGNITIONS AND PREMONITIONS, and the psychic dog that heroically saved lives during World War Two
