HMS Medusa is an obsolete frigate with an ill-assorted crew and an insecure captain. Why has she been dispatched under secret orders to be a sitting duck in one of the most vital ports of the Mediterranean? Drawn into a close involvement with the Medusa's captain, Gareth Lloyd Jones, ex-adventurer Mike Steele begins a dangerous quest for answers. As past and present combine in a series of violent events, Steele finds himself at the centre of an international crisis to which only Lloyd Jones and the Medusa hold the key.
