

No one wants to die, alone: When a loved one is faced with terminal cancer

Someone you care about is faced with terminal cancer or is affected by their loved ones diagnosis. No one teaches us how to cope with terminal illness. Most of us don't understand the challenges we are about to face. No one wants to die, alone may help you navigate this life-changing journey. It may help you understand how terminal cancer is changing the lives of those you care about. This touching and gut-wrenching memoir is the story of Carmen as told by her sister Nicole. It is an intimately human narrative that captures the terror and despair of Carmen's medical diagnosis, her family's love, compassion and hope as they face the final year with her, and finally her last moments - all related with honesty, smiles and tears. A must-read for anyone facing terminal illness with a loved one. Visit <http://www.armstrongnicole.ca/>
