

Black Daggers Russian Spy

Black Daggers Russian Spy is about a sixteen-year-old high school student named Valric whose parents support him when he gets accepted into Black Daggers School for Spies and Secret Agents. The school lasts five years, though even in an unusual school Valric has some unusual adventures. He has to deal with a Russian spy that only he and his friends can stop while he deals with new friendships, a new girlfriend, school grades, and his new skydiving team. His first year at the school is more eventful than most spies have in a lifetime. When his friends turn against him because backs are being stabbed, he still has to help the school. The question remains: Can Valric deal with the pressure? Or must he go back to high school as a normal kid?
