

## The Sarah Jane Adventures Collection (Ten Original Audio Adventures Starring Elisabeth Sladen)

Ten exclusive audio adventures featuring Sarah Jane and friends, read by Elisabeth Sladen, Daniel Anthony and Anjali Mohindra. Sarah Jane Smith always finds herself on the trail of trouble. As an old friend of the Doctor, she's used to encountering aliens, battling monsters, and defeating evil. And although Sarah Jane doesn't travel through time and space so regularly these days, she still finds plenty of danger and adventure on Earth. In these amazing stories, Sarah Jane finds herself investigating a private health clinic, a mysterious stone circle, some lethal alien artefacts, a strange Victorian house, and a bizarre hill carving. Then there's the camping trip that sees the friends stranded in Snowdonia, the deadly computer virus, the terrifying creature from a world of nightmares, the steam-powered robot, and the race of aliens who think Sarah Jane is a dangerous lawbreaker. Along with Luke, Clyde, Rani, Maria, and Skynot to mention supercomputer Mr. Smith, Sarah Jane and her trusty sonic lipstick must prepare themselves for anything the universe can throw at them! These stories have been specially written for audio by Justin Richards, Stephen Cole, Peter Anghelides, Gary Russell, Scott Handcock, Jason Arnopp, Cavan Scott, Mark Wright, Martin Day, and Scott Gray.
