

## Sarria to Santiago: A Guide to Walking the last 100km of the Camino Frances (MM3 Camino Guides)

This book provides a complete guide to planning your pilgrimage from Sarria to Santiago de Compostela. It contains details of 120 albergues (pilgrim hostels) including address, phone numbers, email, web address, opening times and GPS coordinates. It contains suggested daily walking maps as well as detailed maps of each village containing an albergue. This book is best experienced using the kindle app on a smartphone or tablet. This allows you to call the albergue with a direct link from the book to your phones dialler. It also allows you to go directly from the book to the web page of the albergue, also the book directly links to your email client so you can email the albergue with a reservation or a question. If your phone or tablet is GPS enabled it will also get directly from the GPS coordinates in the book to satellite navigation software on your phone. The book also provides detailed planning advice on what to pack and what not to pack, how to get to Sarria, how much it is likely to cost you and suggested ways of keeping the cost down. Further, the distances given in this book take in to account the extra distance walked going up and down hill to give the most accurate distances available. In addition, the estimated walking times also take in to account the additional time incurred of continuously going up and down hill to provide truly accurate estimated walking times. This guide book is a real aid to help book and find your accommodation in advance or as you walk. Once you have used it you will not want to be without it. No other guide book integrates with your smartphone like this. No other guide book gives you the accuracy of distances and walking time. No other guide book gives you the GPS coordinates of every albergue.
