

Anyone looking to mend a broken heart, turn enemies into friends, or find a guardian angel will find encouragement in this highly inspirational and immensely fun guide, which reinvents old-world spiritual rituals and time-honoured traditions with a down-to-earth, new-age spin. Sister Karol first briefly introduces each prayer ritual, then provides a list of simple materials and step-by-step instructions for carrying it out. She draws from a variety of spiritual traditions but focuses throughout on the power of ritualized personal prayer and positive thinking.
