

SACRED PLACES OF PORTUGAL TOUR - A Self-guided Driving/Walking Tour - Includes insider tips and photos of all locations- Explore on your own- Like a friend ... you around! (Visual Travel Tours Book 28)

SACRED PLACES OF PORTUGAL -An exciting journey across this colorful country to its four most sacred places: Neolithic ruins, the birthplace of global exploration, an emblematic staircase, and the incomparable Fatima. Richly endowed by both nature and history, Portugal is a sun-baked land of castles, dramatic coastlines, jagged mountains, lively festivals, and proud Roman Catholic traditions. From prehistoric cave dwellers, numerous empires and invaders, to several centuries of Roman and Moorish influence, Portugal had been on the forefront of Western civilizations development for many centuries. To understand Portugals future is to travel into the countrys glorious past. Portuguese citizens fostered the Age of Discovery, inspired one of Europes most visited pilgrimage locations, and created an emblematic staircase known throughout the country all within a nation about the size of Indiana. Follow this podcast on an exciting journey to the four most famous sacred destinations in Portugal. AUTHOR - Brad Olsen is a Contributing Editor for World Explorer magazine and has written several guide books. His seventh, Sacred Places Europe: 108 Destinations, was released in March, 2007. The second edition of Sacred Places North America: 108 Destinations was released in 2008 and won the Best Travel Guide for Planet Earth Award in 2010. Brads commentaries have appeared on National Public Radio, CNN and the Travel Channel. He enjoys extended global travel (particularly to exotic locations), and public speaking on the subject of sacred places.
