

Always and Forever (Stevens Island Book 3)

Sophia Gray has always known that Erik Lund was not a boy that her parents and grandparents would ever approve of. That didn't stop her from falling in love with him. Nearly a year has passed since that summer day when she and Erik admitted their feelings for each other, a year filled with joy and frustration, secrets and fears. She and Erik have had their share of ups and downs, but even after her brief relationship with her friend, Davis, Sophia and Erik are able to work out their differences, not wanting to give up on what they feel for each other. But when hearts are on the line will generations old hurts and resentments prevail, or will truth and love overcome all?
