

The Soul Sufferings Of Christ

Knowing something of Christs physical suffering on the cross is an essential part of understanding what He achieved and accomplished in the atonement. But Christs sufferings were far more extensive and profound than the bodily pain of crucifixion. What Christ suffered in soul, first in the Garden of Gethsemane and then on the cross, is crucial to understand the cost of a sinners redemption. Here Dr. Ron Rumburg sets out the Old and New Testament teaching on this little considered but crucial subject. An important topic for every preacher, gospel minister and serious Christian believer.
