

Winter on the Farm: Sleep-in Food

Wake up to the smell of a delicious winter breakfast from Gourmet Farmer Matthew Evans. Join chef, food critic and author of the hugely successful food bible, *The Real Food Companion*, Matthew Evans, as he embraces the long winter nights by sleeping in and tucking in to a hearty breakfast. Recipes include: The perfect date and banana porridge; Mushrooms on toast; Breakfast semolina; Corned beef hash; Honeyed breakfast polenta; Yoghurt pancakes with drunken brown sugar and salted pears; Cardamom-scented rice pudding with poached pear; Wilted cabbage, garlic and bacon with hot English mustard; Roasted onions and goats cheese baked custard ; Warm spiced apple juice; and Spiced hot chocolate. Matthew grows much of his own produce on his farm in Tasmania, also the setting for his popular TV series *The Gourmet Farmer*, where he cooks these cosy feasts on his wood fired stove as the temperature drops outside. *Winter on the Farm* is the ultimate guide to cooking nourishing and hearty food, and will inspire you to create these rich, wonderful flavours as soon as you feel a winter chill in the air. All titles in this series: *Winter on the Farm - The Collection* *Winter on the Farm - Sleep-in Food* *Winter on the Farm - Cosy Lunches* *Winter on the Farm - Rib-sticking Dinners* *Winter on the Farm - Puddings and Sweet Things*
