

Wolfs Prey (Werewolf Erotica)

With a low growl, he suddenly threw me onto my back, pinning my wrists over my head with his strong hands. I gasped in shock; hed never been so rough before. His teeth gleamed as he snarled down at me. Dont you get it, Marie? Havent you been listening?! Im a monster! I shouldnt be allowed to touch you! He paused for a beat and I seized the moment. Six Steamy Stories in One Megabundle! This 40,000-word megabundle contains two sexy werewolf erotica trilogies: Wolfs Lust (Lycans Lust, Packs Lust and Kings Lust) and Wolfs Mate (Saved by the Wolf, Claimed by the Wolf and Bred by the Wolf). Two womens lives are forever changed when they discover a dark secret. In a werewolf pack, the alpha male is king... and always eager to tame the human women they claim for their own! The sensual pleasures of the pack are addictive and both women face an impossible choice: to submit to their dangerous lovers in every way imaginable, or to flee the pack... if they can! Wolfs Lust: Dr. Samantha is investigating a mysteriously fast-healing patient when shes captured by werewolves. Accused of aiding a rebel wolf, shes sentenced by their sadistic king... to be a sex slave! After being injected with a powerful lust drug, shes utterly willing to satisfy the packs every twisted desire. Will Samantha survive being the fuck-toy of the wolves? Wolfs Mate: When Maries life is saved by a huge dog, shes drawn into a hidden world of monstrous horror and searing pleasures. Her quiet life is shredded as her savage lovers murky past rears its head and the werewolf pack he thought he left behind returns to threaten their happiness. But when the alpha male lays his own claim on Marie, she must make the decision of a lifetime: which lusty beast truly claims her heart? Warning: These erotic stories include werewolf gangbangs, rough sex, bondage, monster breeding and women overcome with raw animal lust!
